

Challenge to Excellence Academic Camp Teacher/Counselor Reference Form

Providing an enriching summer academic experience for 6th – 11th graders since 1984

Academically talented and committed students are invited to attend our 36th annual Challenge to Excellence summer camp. The program focuses on experiences designed to promote higher level thinking skills, problem solving, and creativity through a variety of academic activities. Campers live in an SIUC residence hall, attend classes designed just for them, meet SIUC faculty and learn about their research, investigate campus opportunities, and participate in recreational activities. We are looking for well-behaved, dedicated students who have a desire to learn and make new friends.

For more information, visit www.conferenceservices.siu.edu and choose **Camps and Youth Programs**, then scroll down to **Academic Programs**.
