

2025 Engagement Scholarship

What if applying for a scholarship was as easy as attending a study session with friends or listening to a faculty member share their tips for academic success? This semester, it *is* that easy if you are pursuing a major with the School of Education!

Starting this fall, the School of Education will award a \$500 Engagement Scholarship to an SoE student who attends at least one of our eligible events. Applying is as easy as showing up and participating! All students pursuing a School of Education major will earn an application entry into our Fall 2025 Engagement Scholarship Drawing each time they attend an eligible School of Education event. The more events you attend, the more likely you are to earn the scholarship!

Why?

Studies show that students who are engaged and connected to their academic communities are far more likely to be successful both inside and outside of the classroom. Our goal with this scholarship is to help you build strong connections with your peers and mentors, provide access to hands-on experiences that will help you in your educational journey, and highlight the importance of maintaining a well-balanced life in college!

Eligibility Requirements

- This scholarship is reserved for students who are officially pursuing a School of Education major.
- In order to earn an entry, students must attend an eligible School of Education event for the required minimum timeframe. We will have a check-in booth at all our eligible events this semester, so make sure that you sign-in and sign-out each time you attend one of our events.
- This scholarship is subject to Southern Illinois University Carbondale's financial aid guidelines and restrictions.

Questions? Email the School of Education at soe@siu.edu with any questions you have regarding an upcoming event or the scholarship itself!
